Terms and Conditions for Babel

These Terms and Conditions are entered into between you and Babel regarding your use of the Babel mobile application App.

1. Acceptance of Terms

By downloading, installing, or using the Babel App, you agree to be bound by these Terms and Conditions. If you do not agree to these terms, please do not use the App.

2. User Data and Privacy

a. **Data Collection:** Babel collects and stores the following information: full name, email, and messages. This data is stored securely using Firebase Firestore.

b. **Third-Party Libraries:** Babel utilizes third-party libraries, including Firebase, ProgressHUD, Realm, MessageKit, InputBarAccessoryView and Lottie. These libraries are used solely for layout purposes and do not have access to user data.

3. Usage and Conduct

a. **Appropriate Use:** Users are required to use Babel for lawful and appropriate purposes. Any use of the App for illegal or malicious activities is strictly prohibited.

b. **User Responsibility:** Users are responsible for the content of their messages and any consequences that may arise from the sharing of such content.

4. Intellectual Property

a. **Ownership:** The Babel App, including its design, content, and underlying technologies, is the intellectual property of Babel. Users are granted a limited, non-exclusive, non-transferable license to use the App for personal purposes.

b. **Third-Party Libraries:** The third-party libraries used in Babel are subject to their respective licenses.

5. Updates and Changes

The Company reserves the right to update or modify these Terms and Conditions at any time. Users will be notified of any significant changes.

6. Limitation of Liability

The Company is not liable for any damages or losses resulting from the use of the Babel App. Users agree to use the App at their own risk.

Privacy Policy

1. Data Collection and Usage

a. **Personal Information:** Babel collects and stores personal information, including full name, email, and messages, for the purpose of providing communication services.

b. **Third-Party Libraries:** The third-party libraries used in Babel are for layout purposes only and do not have access to user data.

2. Security

a. **Data Security:** User data is stored securely using Firebase Firestore. The Company takes reasonable measures to protect user information from unauthorized access.

3. Disclosure of Information

a. **Legal Compliance:** The Company may disclose user information in response to legal requests or to comply with applicable laws and regulations.
